

LEHI LEDGER

Lehi City, Utah | 153 North 100 East | (385) 201-1000 | www.lehi-ut.gov

From Mayor Wilson

Appreciate More, Whine Less, and Give Without Expectation

Lehi's Heritage Day was a great success. Several hundred residents came out, and what a great time was had. To those who attended, thank

you. If you missed this year's activities, you missed a free day of fun, filled with pioneer games at the park. Plan to come next year. I promise you will love it.

It was great to see the individuals honored at Heritage Day for their many years of service to our community. It is hard to comprehend the hours and resources they have donated to make our city better, all without an expectation of reward. Well, my vote is that they deserve it.

Time, labor and money: what a great commodity. It seems like we tend to have a bit of excess of one or the other, but we never have it all at the same time. Many others deserve an award for their effort to make our community great. Keep serving and the rewards will come from the happiness of your efforts. Maybe on occasion you will be surprised with a "thank you."

I would like to express my love to John Haws, the chair of the Archives Committee. As many of you know he never sleeps. It is not uncommon to get emails or Facebook notifications regarding Lehi at all hours of the day

or night. You need to check out "You Know You're in Lehi When" on Facebook to learn about the history of Lehi. John has a great bunch of folks that donate many hours to make the archives and celebration a great success.

Now about parks—we are working hard to maintain existing and develop new parks that fit the needs of everyone. We have recently completed a small park at 1700 West and 1300 South. This will develop into a much larger park used for sports and leisure. We are still working on the water and drainage in the area and roads will be paved as these items are completed.

We are also working on Spring Creek Park, at 2100 South Bulrush Way. We hope to have it completed by the end of the year. Several other parks are in the process of design. It is important that we get these parks done, but this takes time and money.

Enjoy our parks. Visit them often. Our Parks Division works seven days a week to serve the needs of our community. When you see someone picking up garbage, mowing the lawns, planting flowers or weeding flowerbeds, tell them thanks. They are doing it for you.

I appreciate all who do so much and receive so little for their efforts. Let's all appreciate more, whine less, give without expecting, live happy, smile on bad days, and hug someone who needs it.

October 2015

October 27, 2015 at 7 p.m.

Where:

153 North 100 East, Lehi Utah

Literacy Center News Lehi Area Chamber

Fall Session Begins September 9

The fall session is continuing until January 21. All student spaces have been filled. Our volunteer tutors have been trained and are participating by guiding the children with reading skills. We are offering higher math "homework help" Monday-Thursday from 3:30 to 5:30 p.m. If you need assistance with Algebra please come into the Literacy Center and have Richard help you.

Lehi High School

Fundraiser for Family of Carla Grow

Lehi High School Softball is putting on a Pancake Breakfast and Home Run Derby Fundraiser on October 10 at LHS softball field. Some of the funds being raised will go to the family of Carla Grow, the Lehi Softball coach who passed away on September 2. Due to the circumstances of her accident and death, her family's medical bills are very large. Carla has been a shining example of love and dedication for not only Lehi's softball team, but for the youth of her church, her ward members, her community, and of course her family. Show your support on October 10.

September Business of the Month

The Lehi Area Chamber of Commerce has named Dry Creek Physical Therapy the September Business of the Month.

Dry Creek Physical Therapy & Wellness was established in Lehi in 2005 by Jerry Jensen. He wanted to offer the community something that many other clinics do not; complete one-on-one care by highly qualified physical therapists.

Dry Creek takes in pride in the services that they offer and pledge to always have treatment be provided by a licensed Physical Therapist. They feel it is important that our patients get our full attention and not be turned over to aides or office staff. They also provide this high level of care to certify that your treatment is not like everyone else. No one surgery or injury is the same, so treatments often need to be different as well.

From Dry Creek Physical Therapy & Wellness

"We have always taken part in local Lehi events, volunteering at the Thanksgiving Point Half Marathon, local high school sports, sponsoring Lehi athletes and are on board with playing Unplugged this summer. We joined the chamber a year ago to further deepen our relationship with the great City of Lehi. In June we opened our second Lehi location in the Mountain Point Medical Center and will care for patients during their stay as well as continuing to provide outpatient care in both clinics."

Lehi City Arts Council
Arts Corner
685 North Center, Lehi • 801-369-8808

downstairs in the
American Legion Hall.
Come to the SOUTH
doors and down a short
flight of stairs. Doors
open at 5:45pm.

Proposition 3: RAP Tax

Proposition 3 will be on the Lehi Municipal ballot for consideration this coming November. Below are listed arguments related to the Proposition.

Arguments For the RAP Tax

The Lehi City Recreation, Arts, and Parks ("RAP") tax allows a 1/10th of 1% increase in sales tax to help fund projects and organizations that improve the quality of life for Lehi residents. Although it is only the equivalent of one cent for every ten dollars of sales tax paid in Lehi, it is estimated to bring in over \$7 million dollars within a 10-year period. Salt Lake County adopted the RAP tax over 10 years ago, and neighboring cities, such as American Fork and Orem, are also benefiting from the RAP tax. Why not Lehi City? Specific arguments in favor of the RAP tax include:

- 100% of the RAP funds are devoted to projects that benefit Lehi City
- RAP funds are used for projects relating to recreational projects such as public parks, playgrounds, athletic fields, golf courses, gymnasiums, swimming pools, trail systems, or other facilities used for recreational purposes
- RAP funds are also used for projects related to cultural amenities like museums, theaters, art centers, and music halls, or art disciplines such as the performing arts, visual arts, literary arts, historic preservation, and more
- Botanical and zoological organizations, as well as public zoological facilities, are also eligible for RAP funds
- RAP funds could be used to replenish deficits identified by a recent Parks Master Plan update, which found that Lehi needs an additional 247 acres of parks, 5 baseball/softball diamonds, and 6 soccer/football fields
- Since neighboring communities already have a RAP tax, Lehi voters can level the playing field by providing an equitable way to collect revenue
- Lehi is an economic center with many non-Lehi residents shopping at Traverse Mountain and Thanksgiving Point, not to mention Lehi's many restaurants, stores, and gas stations, all of which contribute to the RAP funds that benefit Lehi residents
- The RAP fund is a dedicated funding source that will allow other general city revenues to be used for critical infrastructure needs such as road maintenance and construction, snow removal, etc.

As residents know, Lehi City is recognized for its great quality of life. However, Lehi's residential and commercial population is rapidly increasing, and so is the demand for sport's parks, recreational open space, cultural arts, and much more. The RAP tax will help ensure the growth and sustainability of these demands, and provide rich experiences and opportunities for residents and visitors for years to come. Vote yes for the RAP tax on November 3.

Arguments Against the RAP Tax

No arguments against the RAP Tax were submitted.

General Elections

Vote By Mail - General Election

Lehi City is conducting an all vote by mail for the General Election. Ballots will be mailed to registered voters beginning October 6, 2015. Return ballots must be postmarked no later than November 2. You may also drop off your ballot at Lehi City Hall any time before November 3 at 8 p.m.

A vote center will be located at Lehi City Hall on November 3 if you wish to surrender your mail-in ballot and vote in person. To check your registration, visit Vote.Utah.Gov or call the Utah County Clerk's Office at 801-851-8109.
